Advanced Power Technologies

Advanced Power Technologies:

ECLIPSE complete critical aspect transformer monitoring, including temperature, dissolved gas data, moisture, and bushing dielectric health. Smart grid ready, fully programmable.

AZZ | Electrical Products Group:

Atkinson-EPSP – Custom Built Electrical Power Distribution Centers
Calvert Company – Electrical Air-Insulated Bus Duct Components
Central Electric – Metal Clad Electrical Switchgear & Protective Relay Panels
CGIT Systems, Inc – Compressed Gas Insulated Transmission Bus Duct Systems

BMK - PoleCrete:

Polyurethane Foam & Elastomeric Systems. - Polecrete Stabilizer

C&D Technologies Inc:

Flood & Valve Regulated Batteries, Chargers & Electronics for Switchgear Applications.

Consert Inc:

Smart Grid Solutions

ERICO:

ERITECH Grounding Products, CADWELD Electrical Connections, & CRITEC Surge Protection

Inovus Solar:

On-Grid, Off-Grid Solar Lighting Pole for use in Roadway & Area Lighting LED applications.

GE Lighting Systems Inc: & GE Lighting (Lamp Division):

Roadway, & Decorative Lighting Fixtures. HID, Fluorescent, & LED Lamps.

MacLean Power Systems:

w/Ace, Bethea, Continental, Dixie, Joslyn, Reliable, Sediver, & Utility Service.

T&D Hardware, Anchors, Arresters, FG-Xarms, Insulators, & Polymer/Porcelain Cutouts.

Mitsubishi Electric Power Products, Inc. (MEPPI):

Medium & High Voltage Circuit Breakers, Generator Main Breakers, Large Power Transformers, GIS, System Studies, Power Electronics, FACTS, HVDC BtoB tie, STATCOM & SVC After-Sale Market Support and Service.

Oldcastle Precast (Carson & Synertech):

URD Secondary Grade Level HDPE and Polymer Concrete Enclosures

P&R Technologies, Inc:

Overhead Power Line Markers & Accessories

PASCOR-Atlantic & PASCOR-Oregon:

15kv-345kv Air Break Switches, Side, Center, & Vertical Break, Motor Operators, ABB TTR Switches

Red Dragon Oil & Gas Systems International:

Specialist in Oil Processing & Vacuum Technology.

Relab Software:

SCADA, OPC, HMI, Communication & Integration Software.

Ripley Lighting Controls:

Standard Photo cells, Long-Life LED / Induction Photo Cells, Lighting Control and Monitoring Systems.

SorbWeb Plus (Division of Albarrie Limited):

SorbWeb PLUS Secondary Oil Containment System.

Power Systems Integrity Inc. (PSI):

Phase ID (Live Line/Dead Line), Advanced Capacitor Controls, & Transformer Monitoring.

TZ Services, Inc:

Transformer bushing monitoring system & on-line dissolved gas analyzer.
